Notice:

For surfaces made of PUR, PS, PA, EPDM, ABS, GfK, Hart – PCV use Plastic Primer DECO COLOR previously. Best result when applied at 10-25°C.

Special, high covering of painted surface

High gloss; Additionally black and white also in matt finish

Intensity of colours

Short drying time: 20-30 mins

Touch dry: 60 min; Hardened: after 24 h

All the adjusts can be done up to 20 min

Water resistance is achieved after 5-6 days

Efficiency 1,5-2 m² depending on colour and type of surface by one application

Hard acrylic coating resistant to abrasion and mechanical damages

Variety of colours: over 28 most common colours in RAL system

For indoor and outdoor use

Capacity 400 ml

Usage:

Before applying read carefully instructions on the container and use according to the manufacturer's recommendations.

Recommended substrate conditions:

Preparing the substrate is very important action influencing the quality and life of varnish coating. Fundamental principle, which relate to all surfaces prepared to painting is to grind, degrease and dry out. After drying the primed surface should be grinded with fine-grained sandpaper (e.g. P600).

How to use:

Apply product at temperature about 10-25°C (optimum temperature for good varnish drying). Drying time depends also on air humidity and product density. Painting should be made in well ventilated room. Prior to commencing painting, shake the container for about one minute, which will help mix the varnish by the ball found inside. Perform the test spray. Apply the varnish with few thin layers rather than one thick layer, from the distance of 25-30 centimeters. Following applying each layer, wait a few minutes. Following the completion, clean the nozzle. Put the container upside down, pressing the nozzle for the period of three seconds.

This product has additional options:

Color: RAL 1015 Ivory , RAL 1023 Yellow traffic , RAL 1028 Yellow melon , RAL 2004 Orange , RAL 3000 Red fire , RAL 3003 Red ruby , RAL 3004 Red purple , RAL 3020 Red , RAL 4003 Pink , RAL 4005 Violet , RAL 4006 Fuchsia , RAL 5002 Blue ultramarine , RAL 5003 Blue sapphire , RAL 5010 Blue gentian , RAL 5015 Blue sky , RAL 5021 Turquoise , RAL 6005 Green dark , RAL 6018 Green light , RAL 6029 Green mint , RAL 7001 Grey , RAL 7016 Anthracite , RAL 8011 Brown nut , RAL 8017 Brown chocolate , RAL 9005 Black , RAL 9005 Black_matt finish , RAL 9010 White , RAL 9010 White_matt finish , RAL 0000 Transparent
